

Key Words

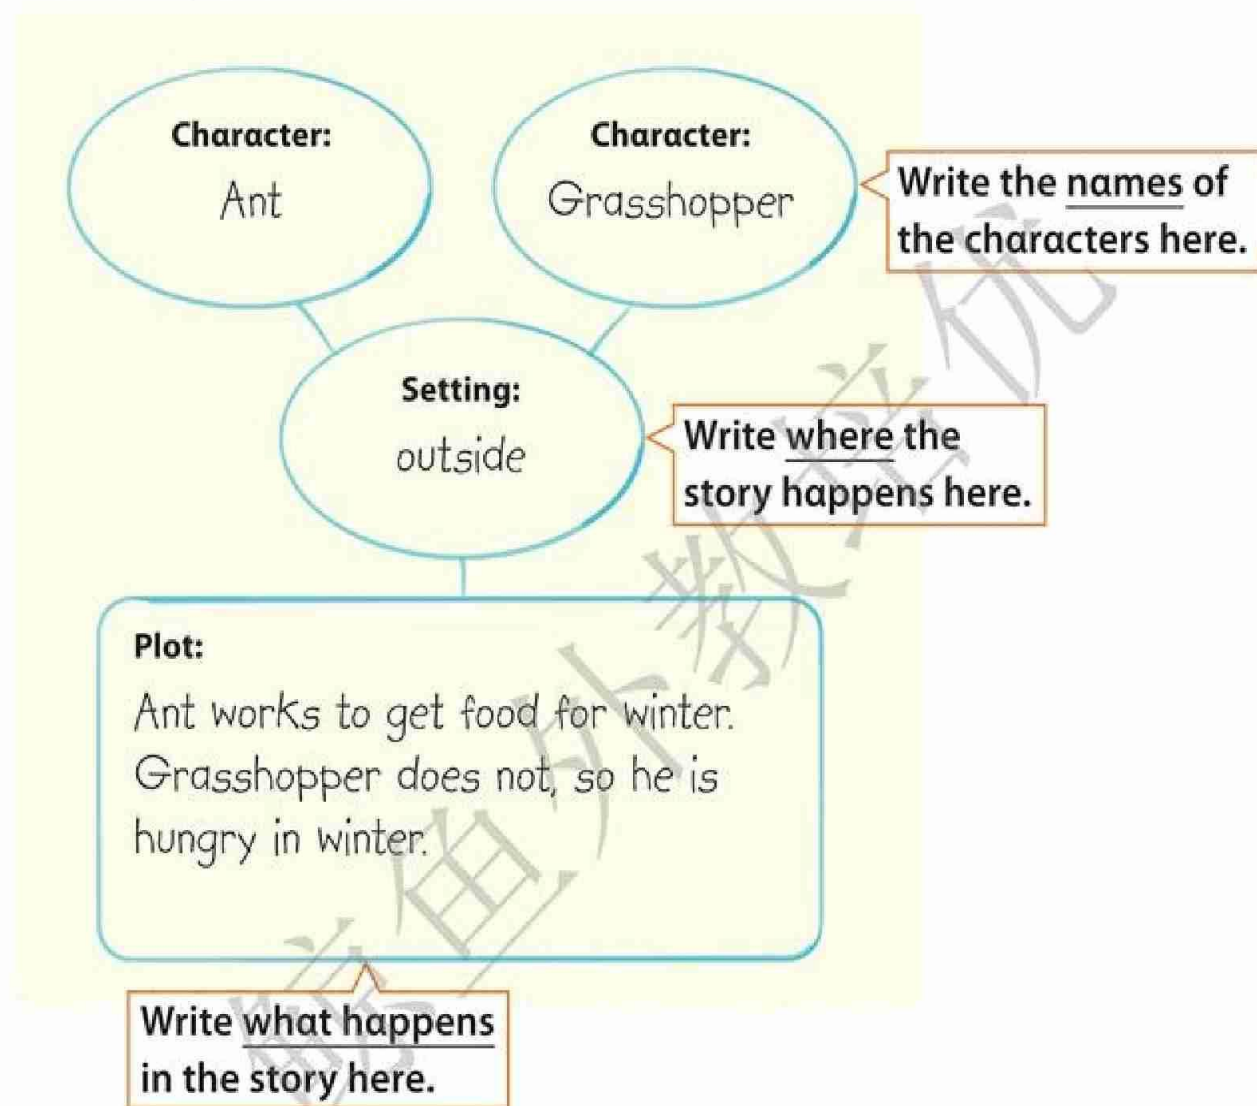

Parts of a plant

Talk Together

Look at this living plant. Talk about its parts. Use the diagram to make up a story. Retell the story to a friend.

Identify Plot

Character-Setting-Plot Chart

Talk Together

Retell a story you know to a partner. Write the title. Then fill out a character-setting-plot chart. Take turns.

Adjectives

An **adjective** describes the size, color, shape, how many, or how much, of a **noun**.

One child sees many trees in the forest.

Grammar Rules Adjectives

Adjectives tell **how many** or **how much**.

- Michael walks **two** miles.
- These trees need **a lot** of water.

how many

how much

Read a Sentence

Which word below is an adjective? How do you know?

Michael photographs five trees.

Write a Sentence

Write a sentence that describes the redwoods. Use an adjective that tells "how many" or "how much."
