

Write Like a Teacher

Write How to Make Something

You can make a hat with straw.

What else can you make with plants?

Explain how to make something with plants. Write for your classmates.

How to Make a Seed Picture

by Pham Thi Mai

What You Need

list

pencil paper
glue seeds

What You Do

directions

1. Draw a picture on the paper.

2. Put glue on the parts of the picture where you want seeds.

3. Press the seeds onto the glue.
Let it dry.

Language Frames

- I need ____.
- The steps are ____.

1 Plan and Write

Talk with a partner about plants and plant parts. Draw pictures of what you can make with plants. Pick one thing and describe it to your partner.

Write what you will need. Then write what to do. List the steps in order.

2 Check Your Work

Revise and edit your writing. Use this checklist.

Checklist

- ☒ Think about the group, What You Need. Did you remember to write all the things that belong in this group?
- ☒ Did you use adjectives to describe how things look or feel?
- ☒ Read each word of your work. Say aloud the syllables. Circle words to check. Correct spelling errors.

3 Finish and Share

Finish your writing. Leave space between steps. Number the steps. Draw a picture to show each step.

Read your writing aloud. Speak clearly. Share what you know.

I need sunflower seeds.
