My Crittercam Journal

by Greg Marshall

July 8

Here's the camera my team and I made.
I call it Cittercam.

Today we put Cittercam on a whale.
I saw how it eats and swims.

August 20

I'm in Africa! Today Crittercam filmed a lion's movements. It runs fast!

August 21

Today I watched my Crittercam videos.
The penguin video was really exciting. ❖
