

A World of Animals

wings

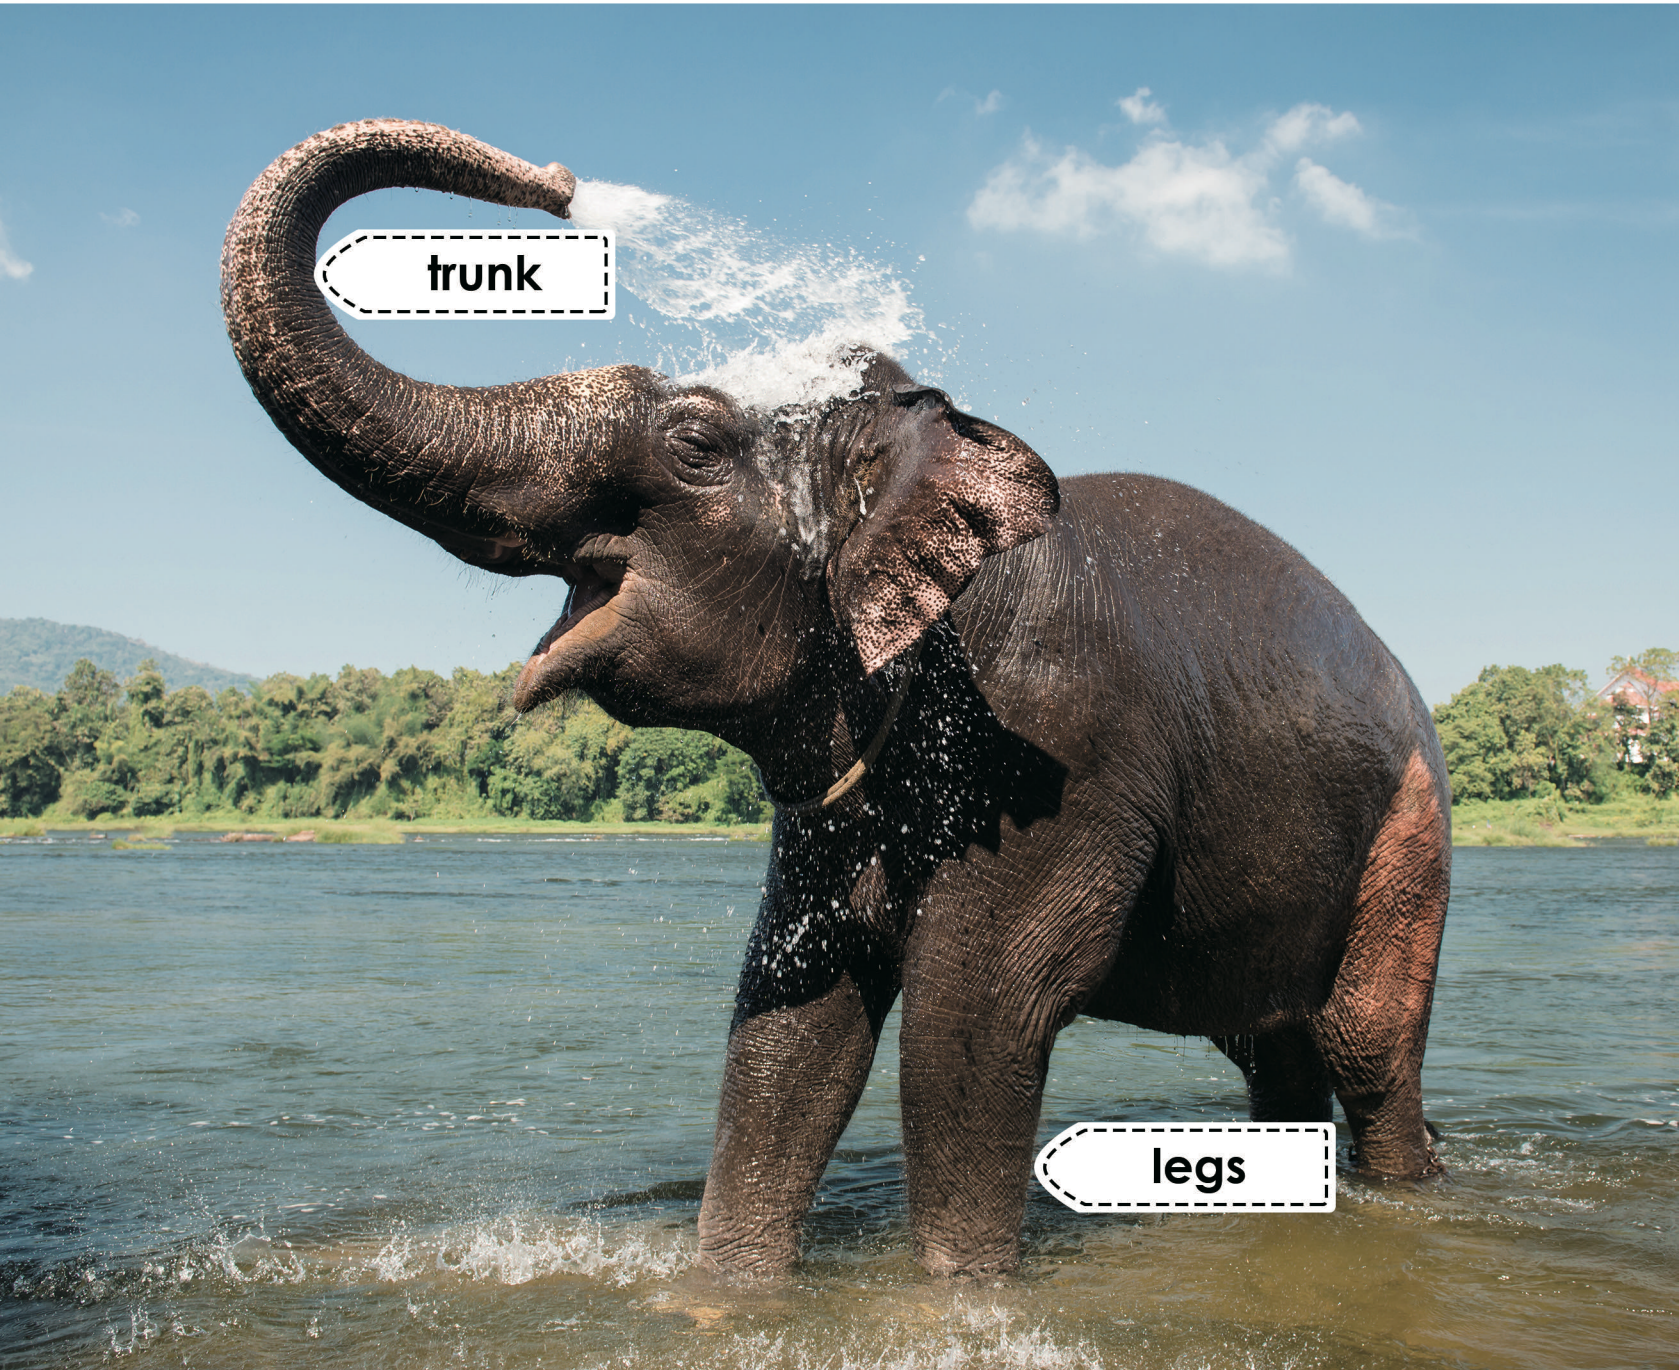

Animals are everywhere. Some of them are alike.

A goose and a bird are alike. They both have wings.

A pig and an elephant are alike.

trunk

legs

They both have legs.

A goat and a deer are alike.

feet

They both have feet.

A horse and a zebra are alike.

They both have a tail.

A cow and a tiger are alike. They both have a head.

head

paws

It's a wonderful world.
