Peter is a little monkey.

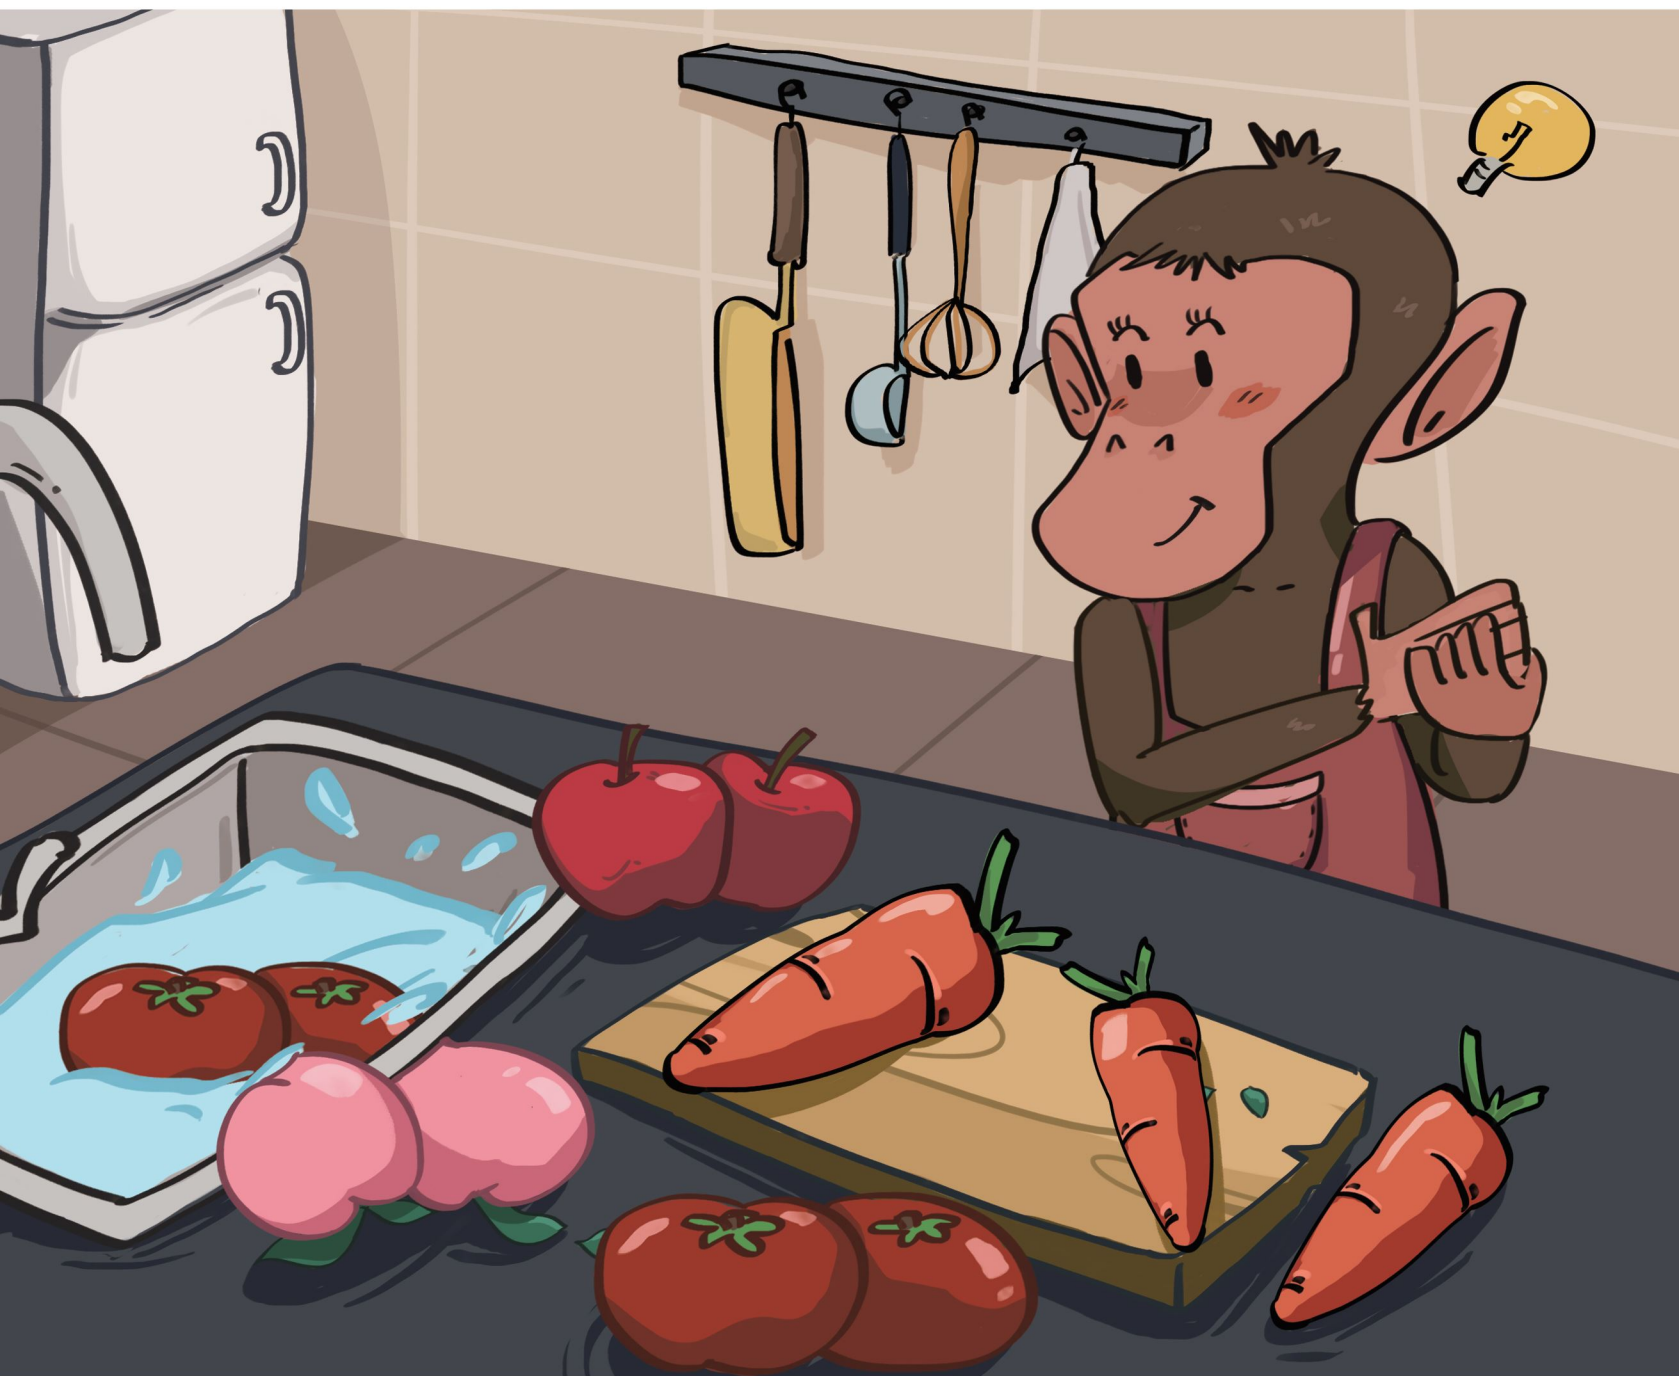

He doesn't like fruits or vegetables.

His mother is not happy about it.

Today is Peter's birthday.

His mother has a good idea.

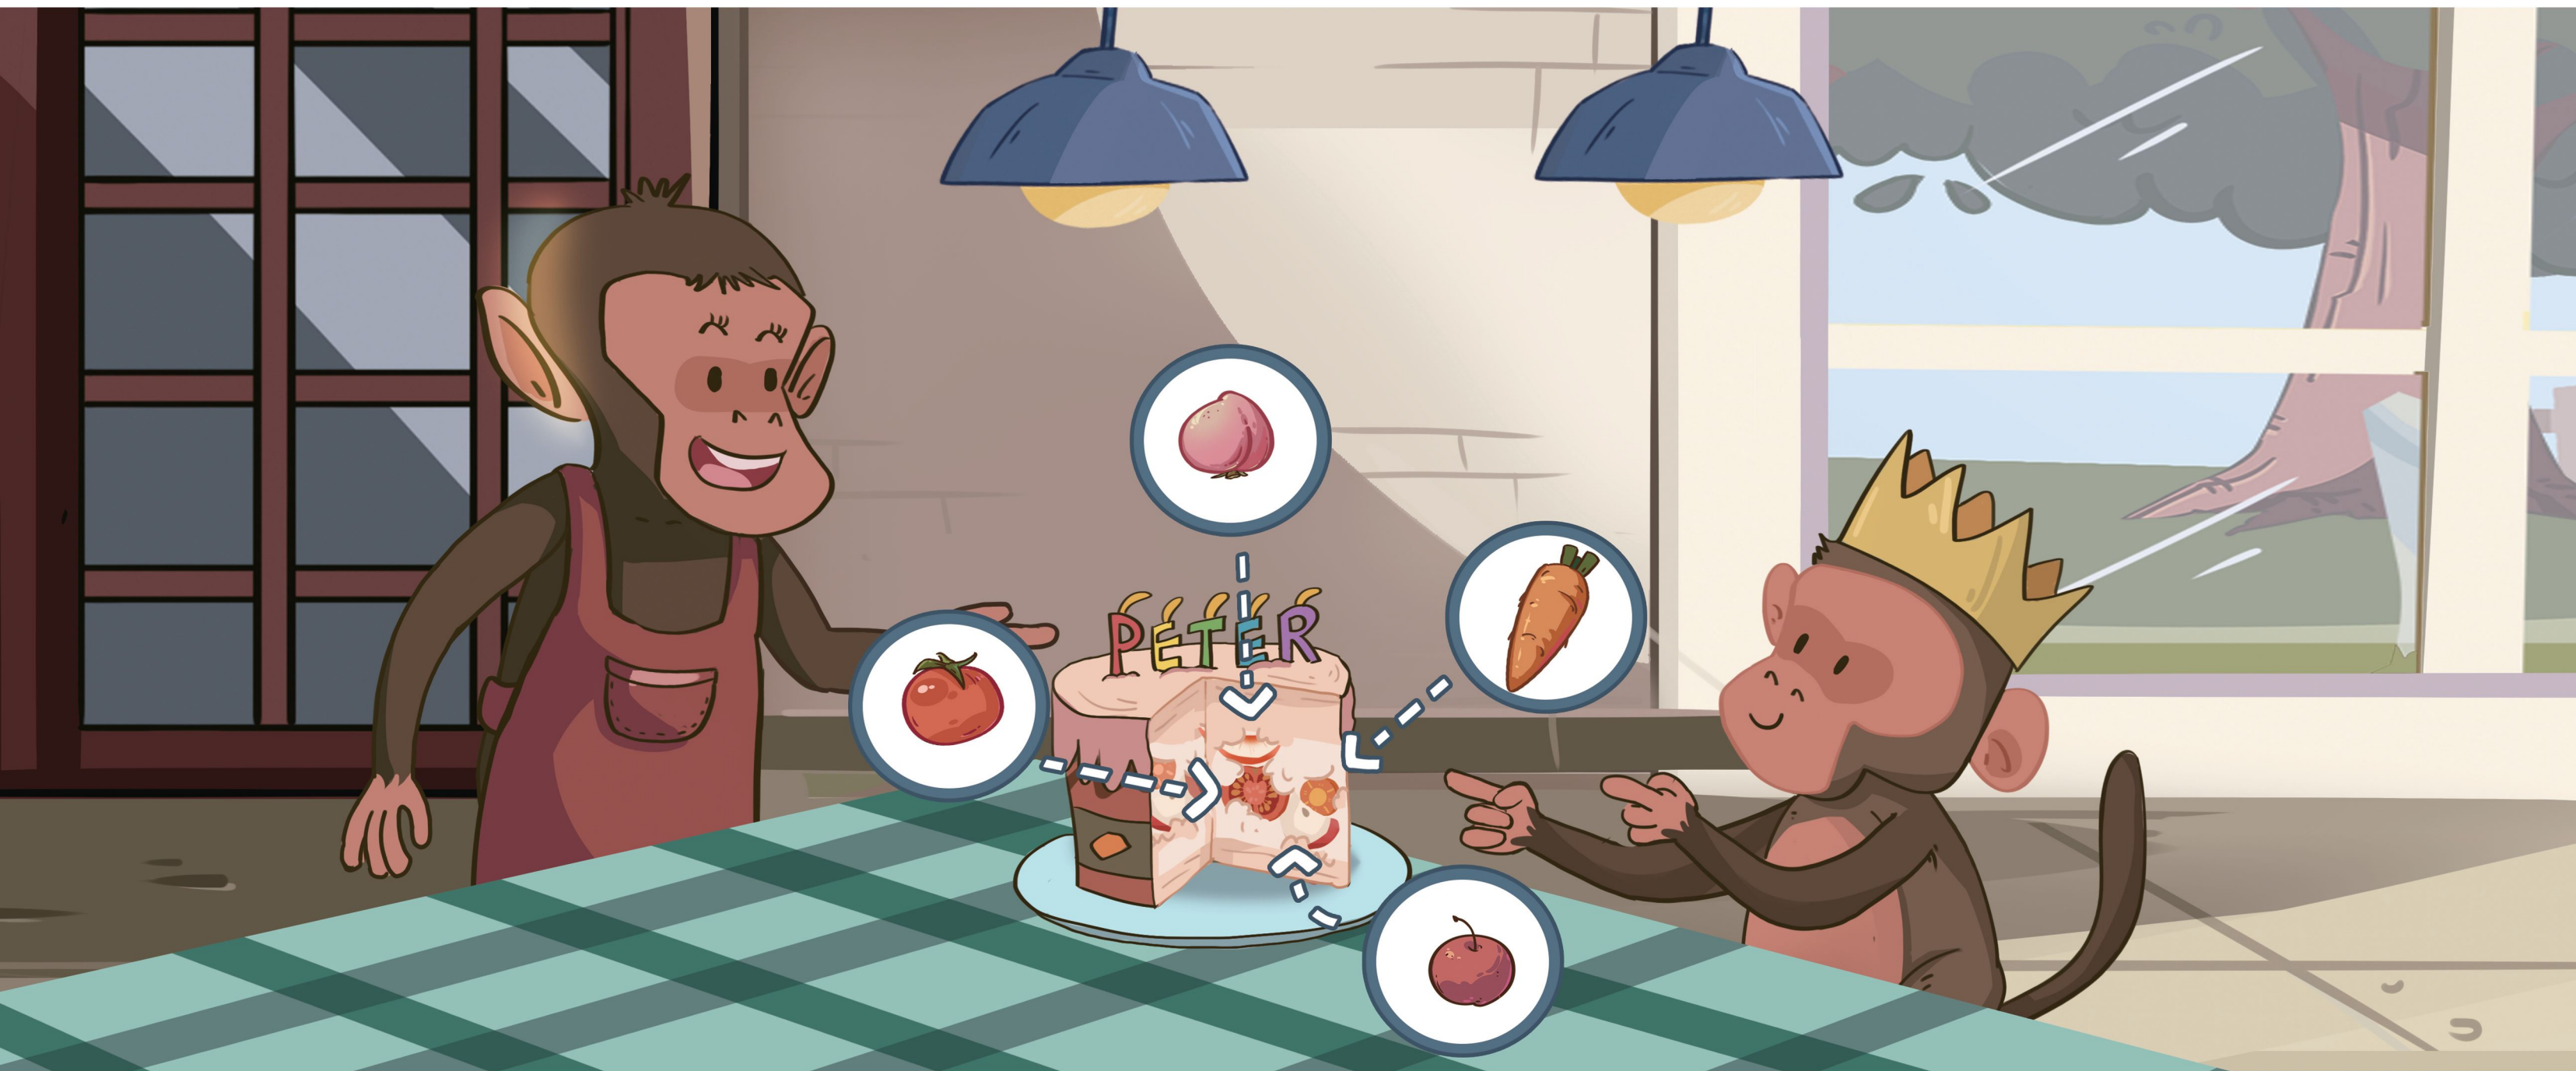

She makes a cake with fruits and vegetables.

“Happy Birthday, Peter!”

“Wow, yum!”

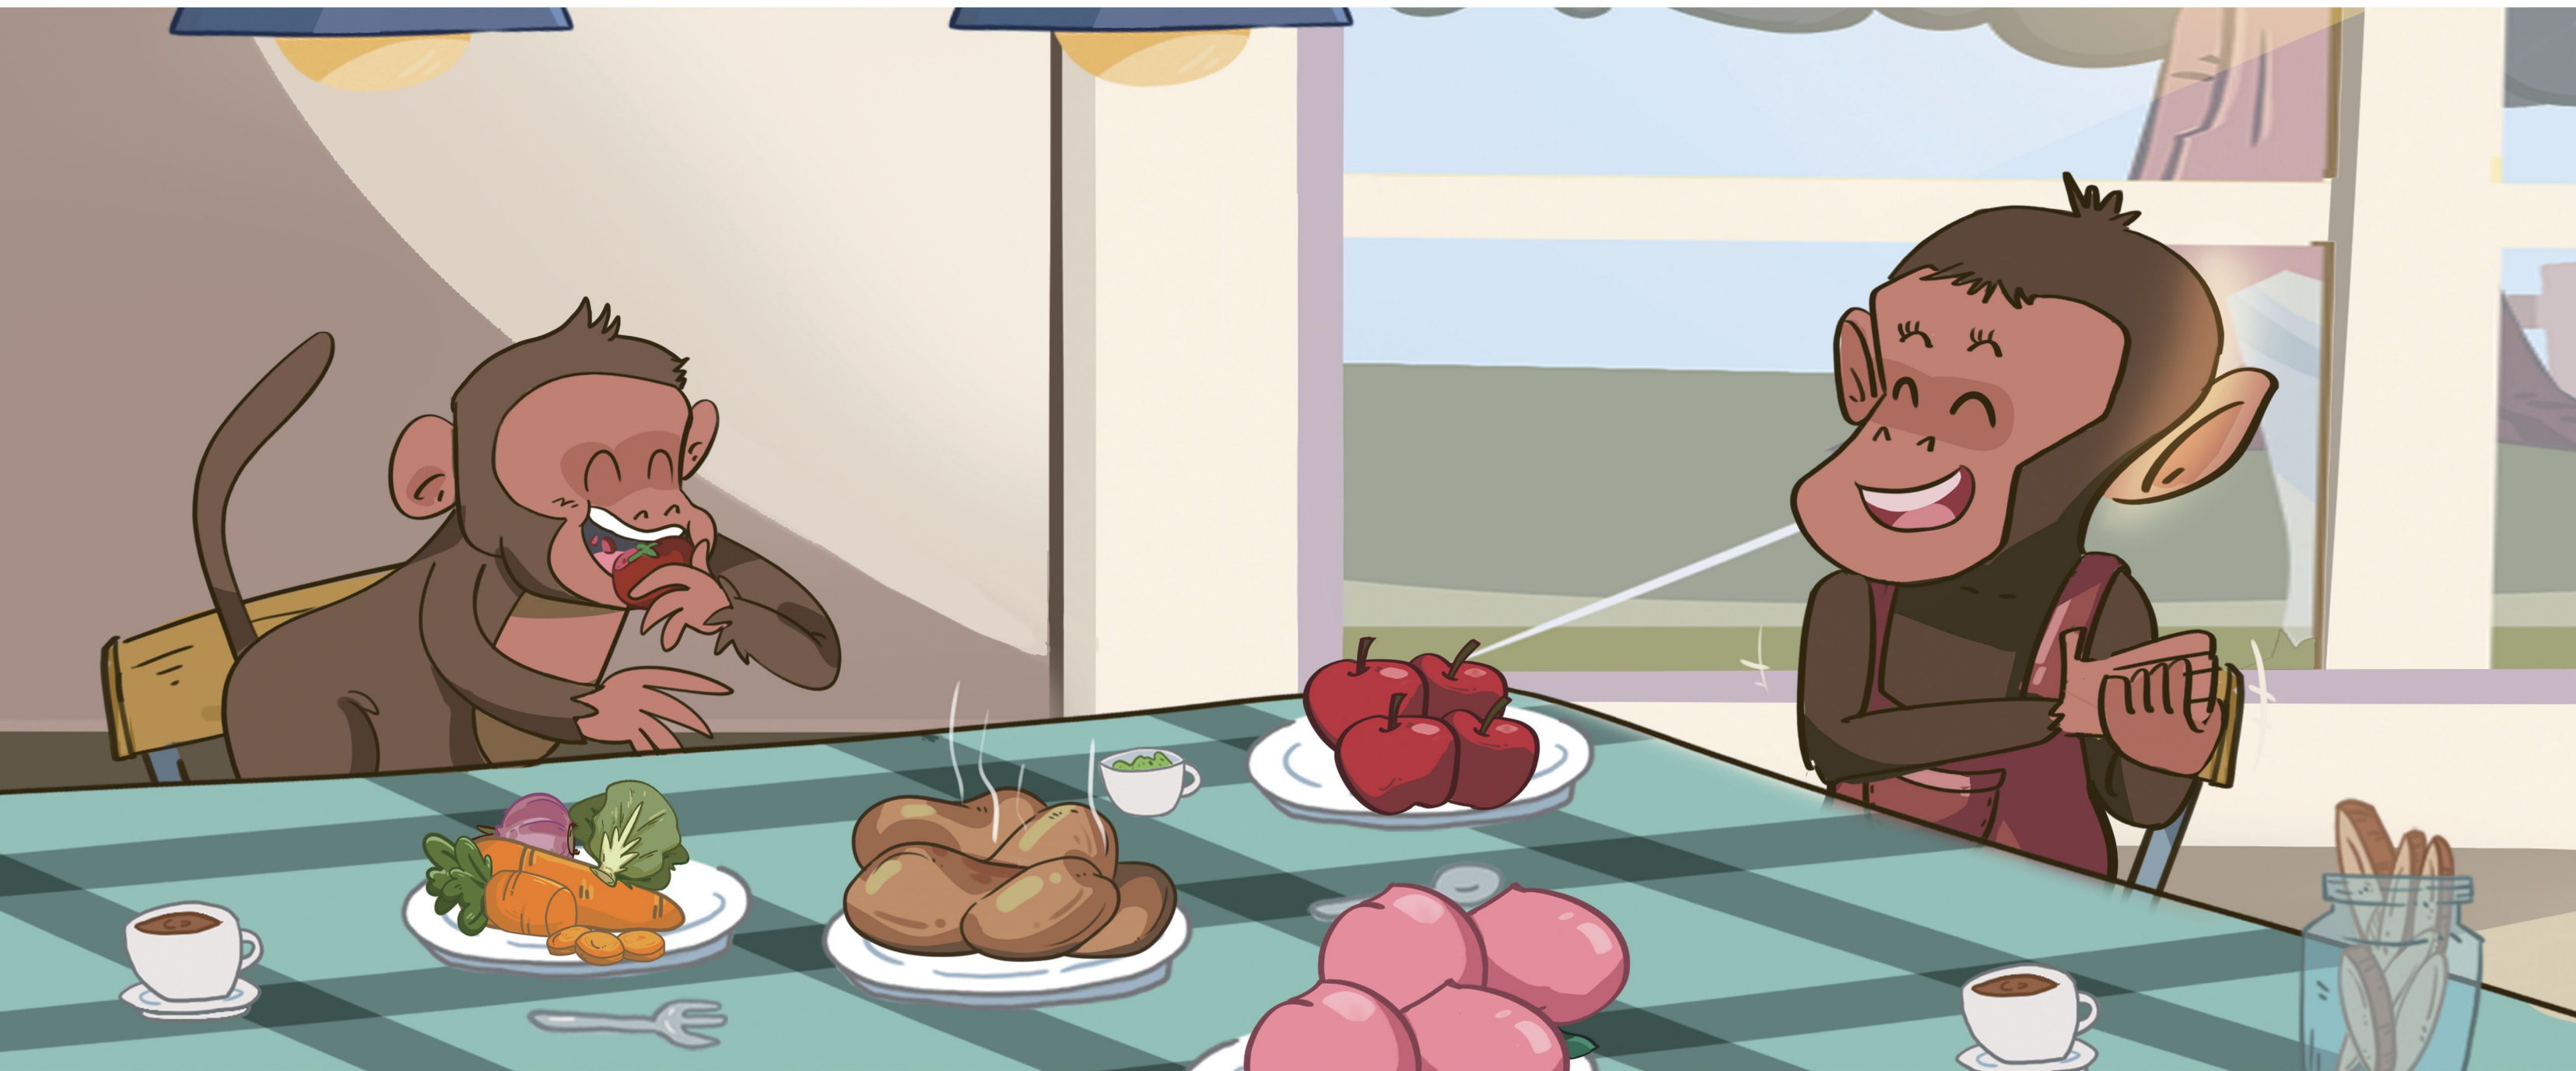

Mother says, “Look, what’s in the cake?”

“Peaches, apples, carrots, and tomatoes! They are fruits and vegetables!”

“It tastes good! I want more, Mom!”

His mother smiles.

From now on, Peter likes fruits and vegetables!
