

My Favorite Food

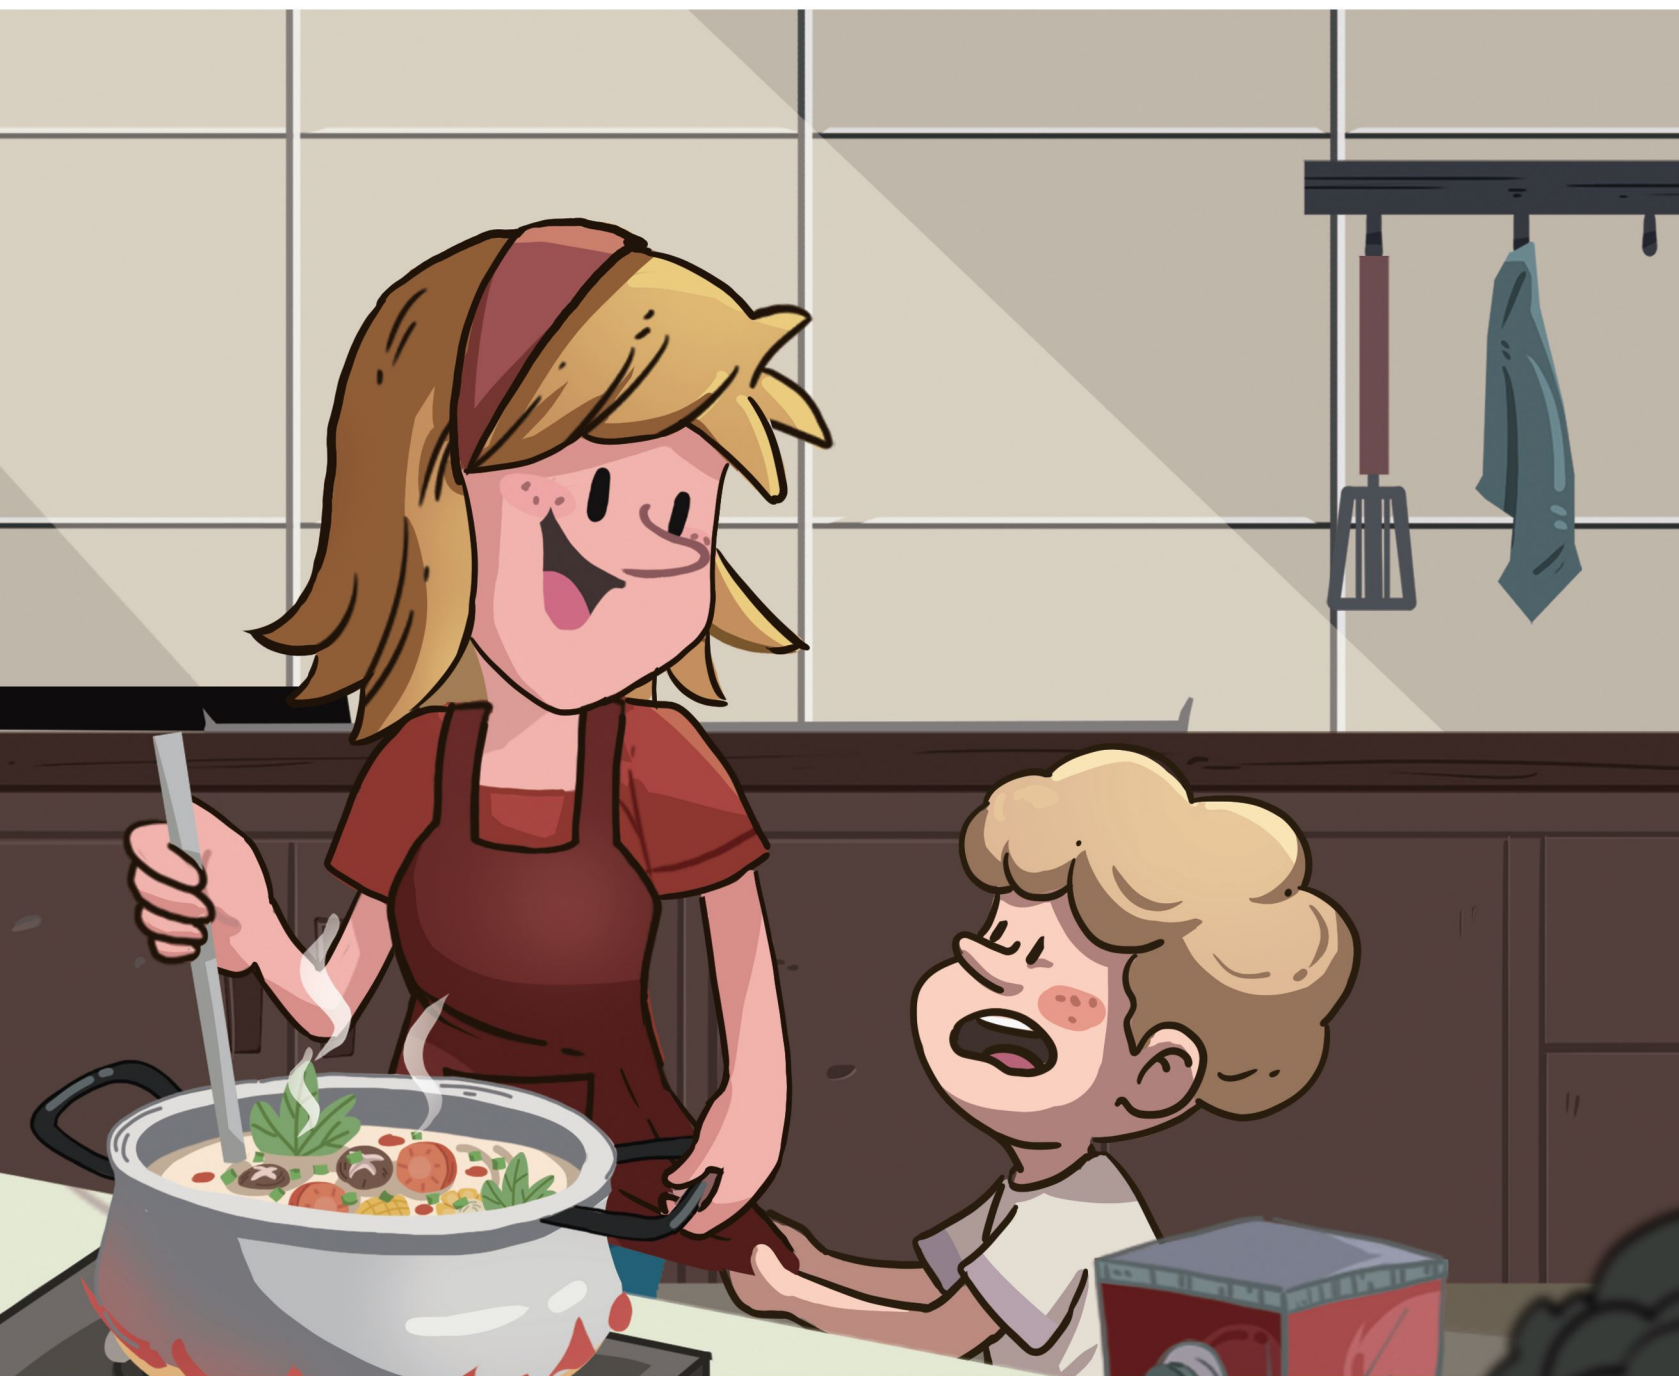

Big Book

Fred's favorite food is apple pie.

But he doesn't have an apple.

“Mom, I want an apple pie. It is my favorite,” says Fred.

Mom says, “You must grow an apple tree. Here is an apple seed.”

Fred puts the seed in the ground.

It grows up.

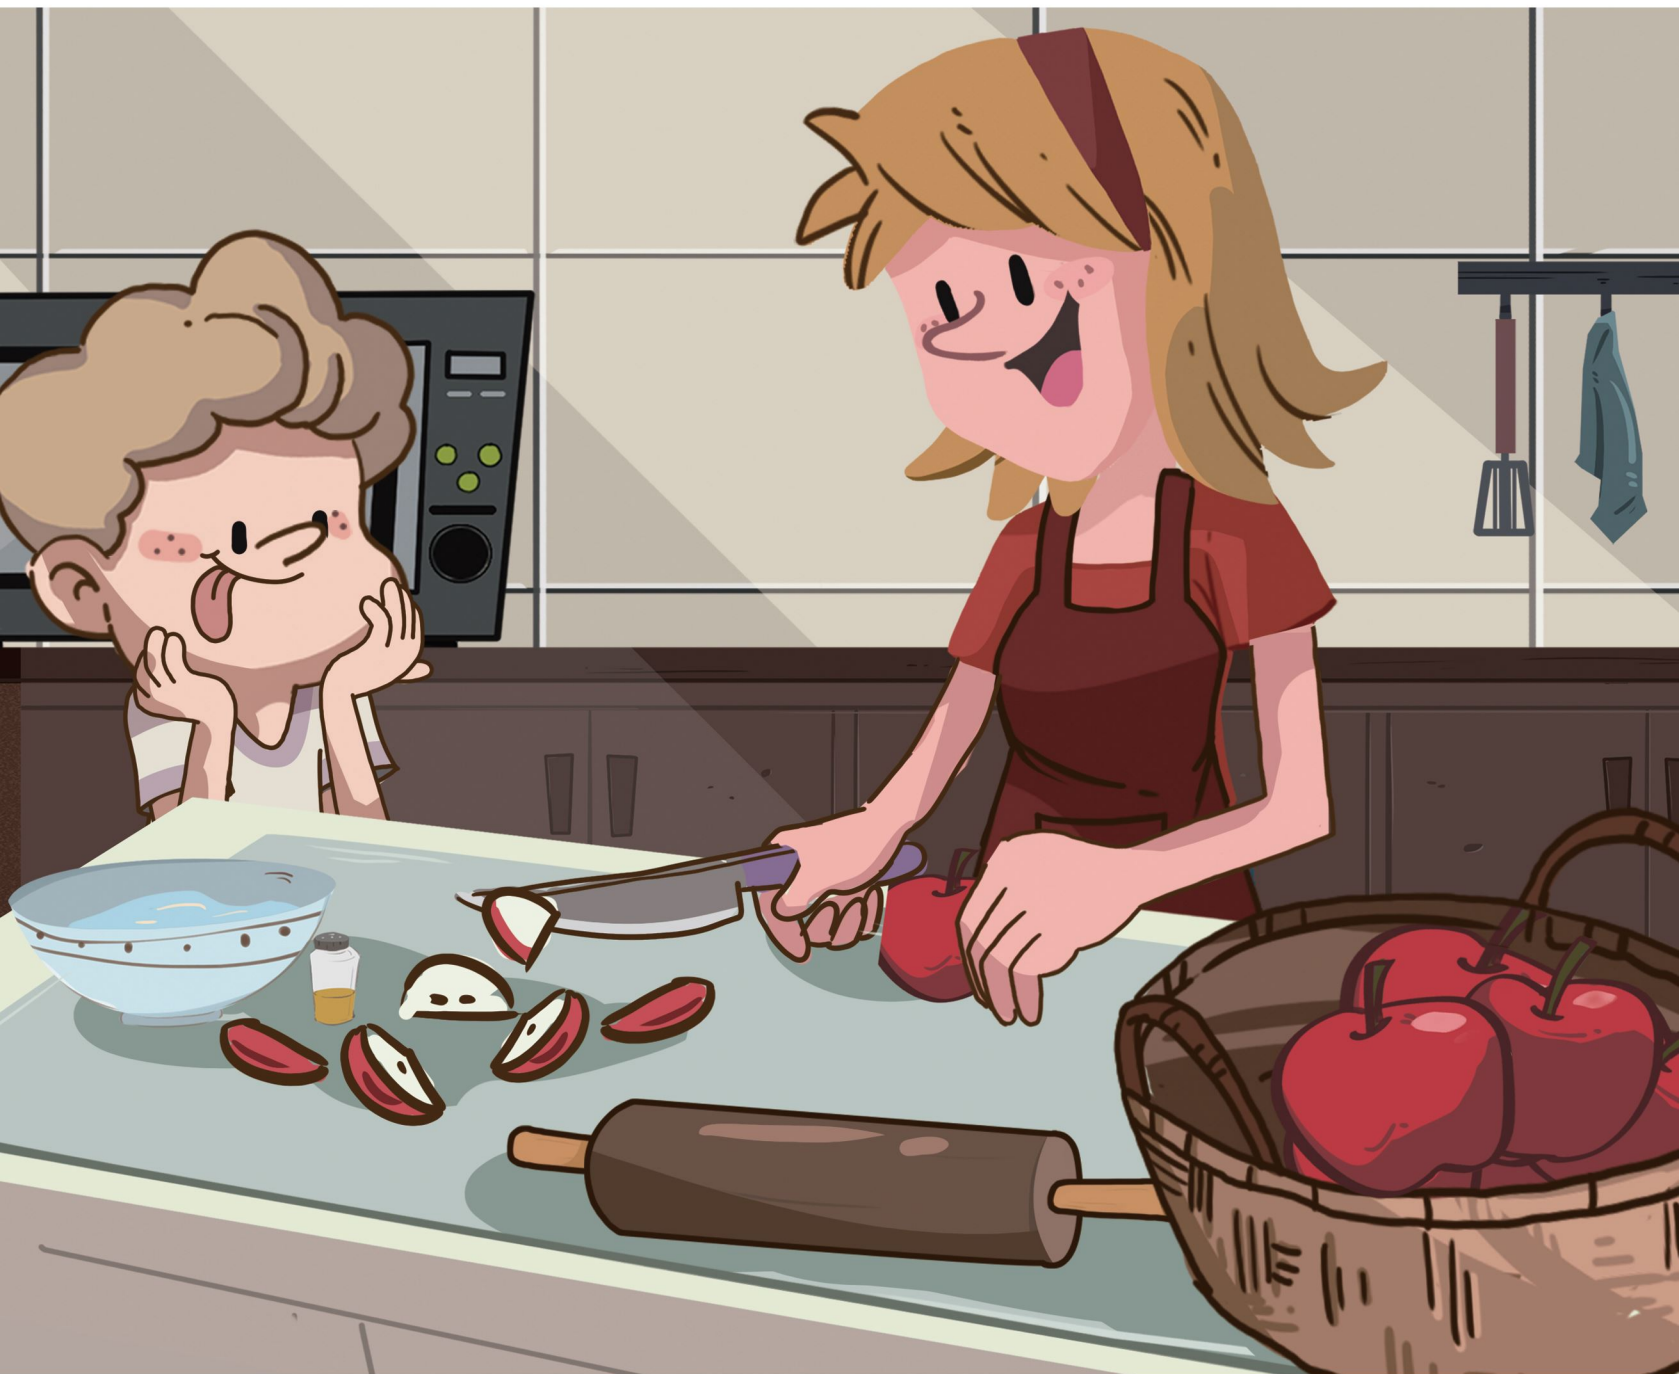

He waters the tree every day.

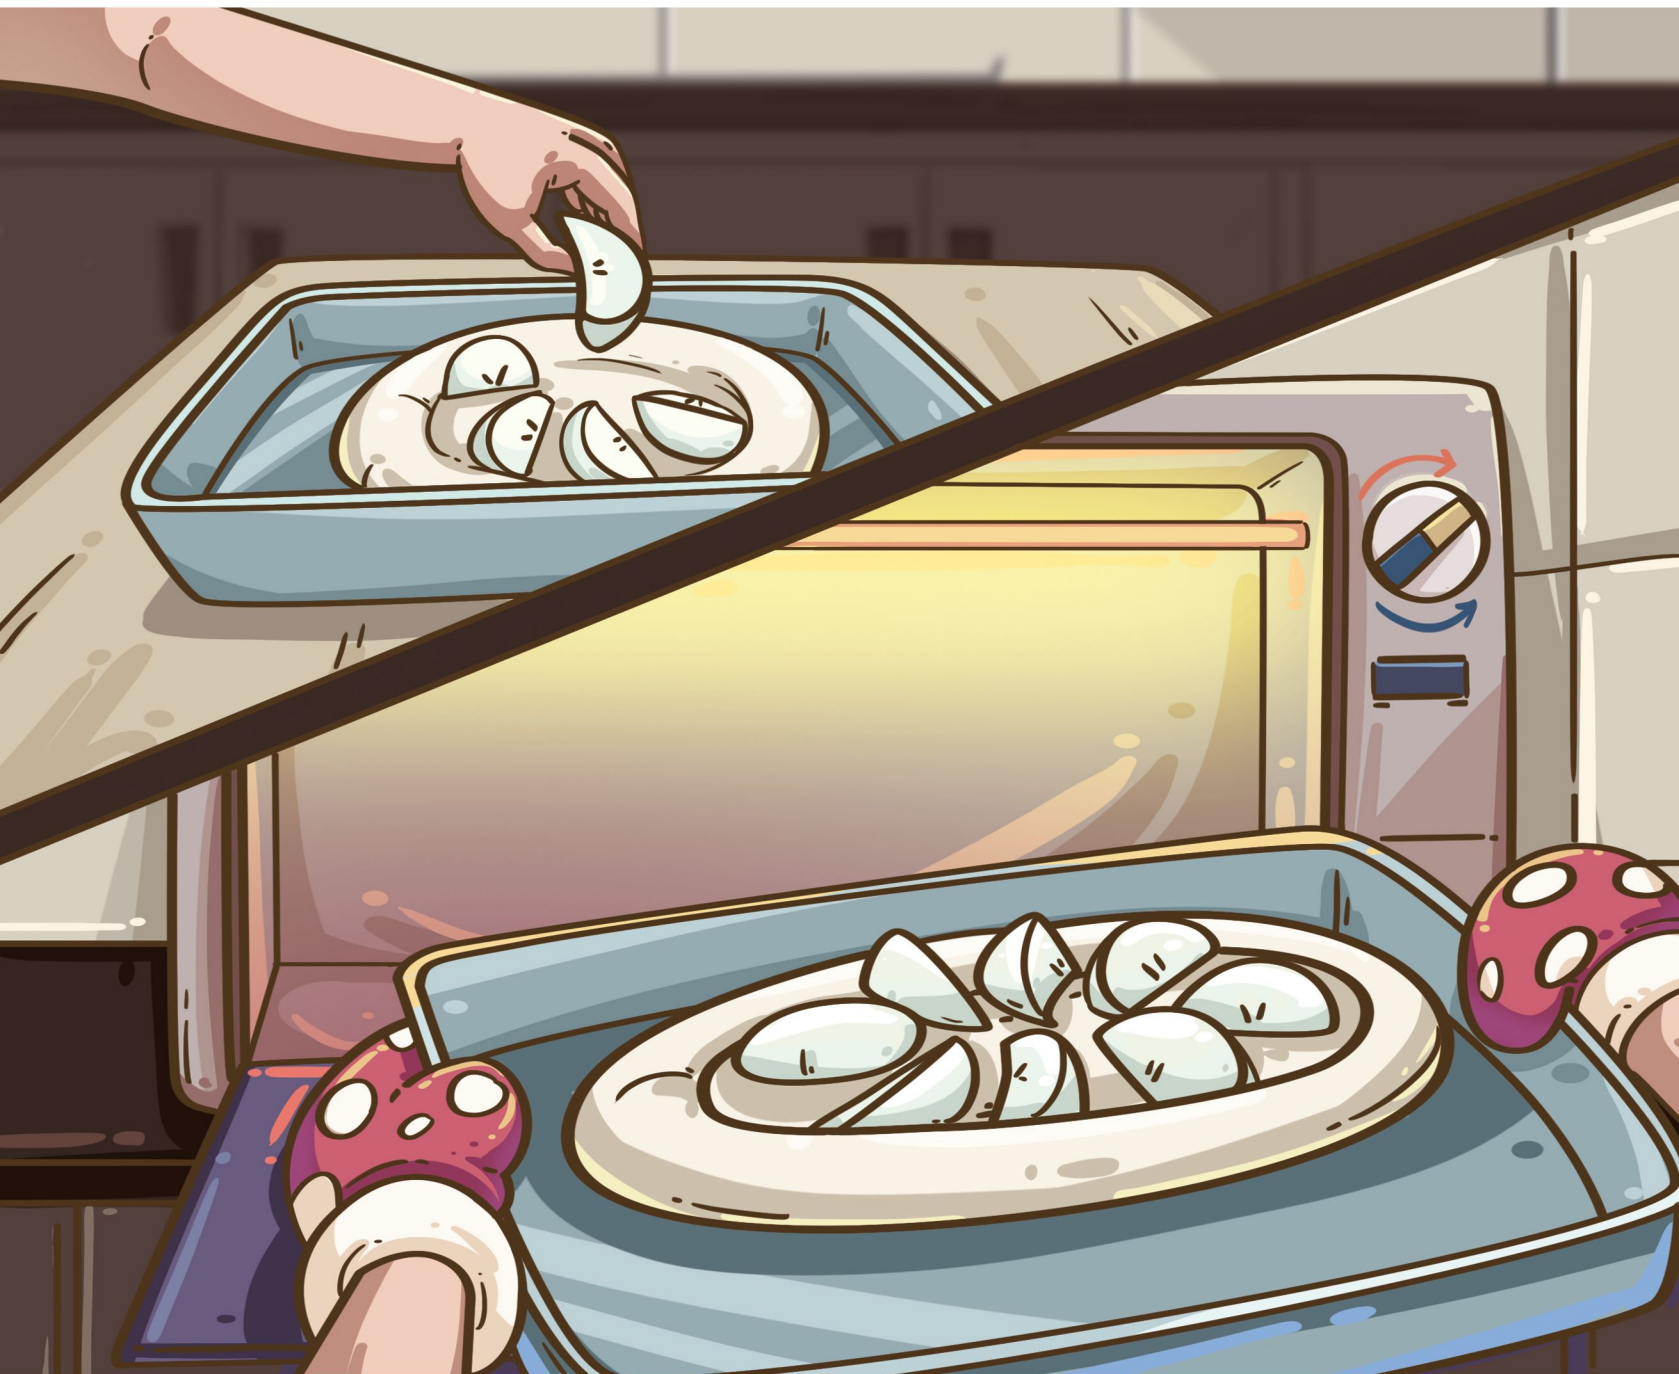

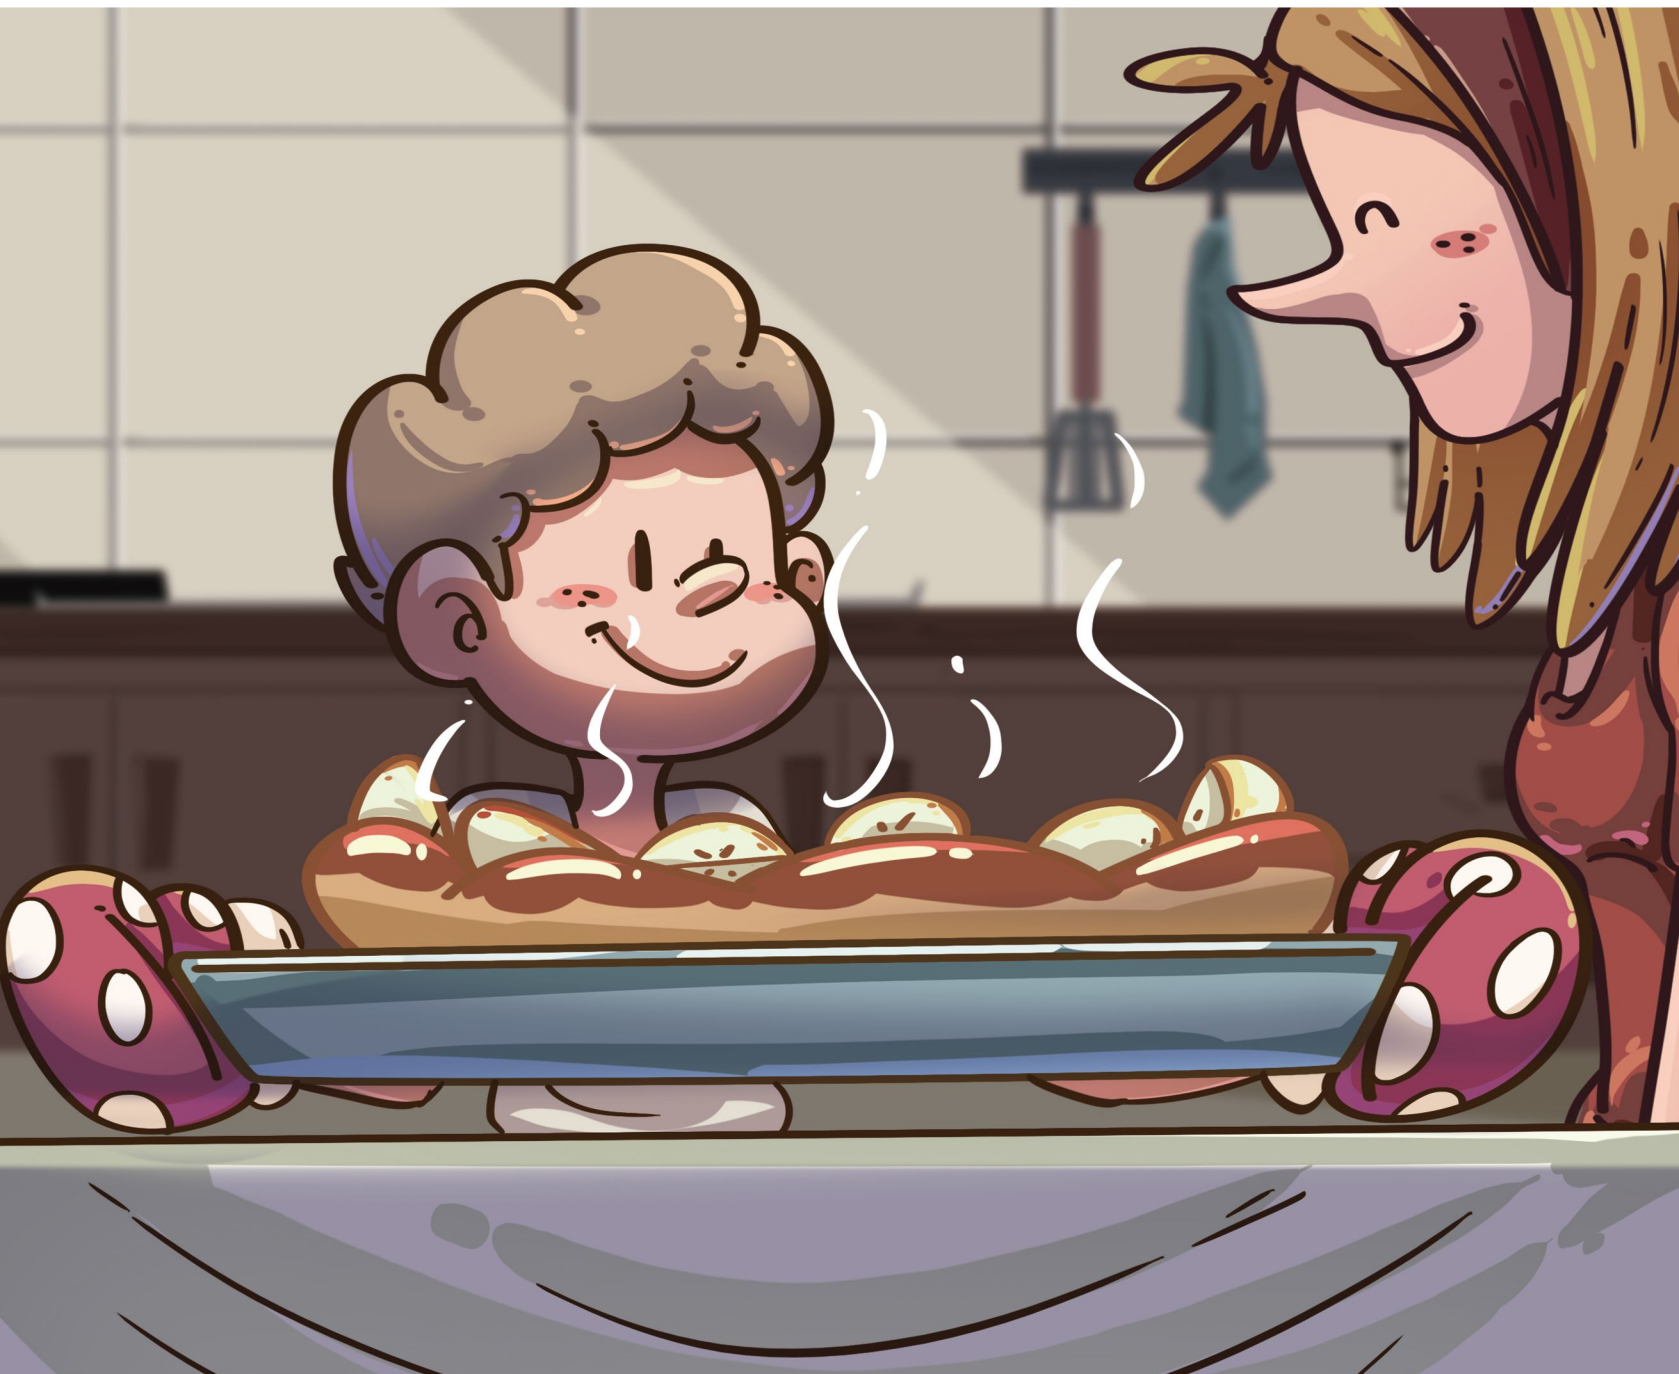

He picks the apples off the tree.

Mom helps him cut the apples.

Fred makes an apple pie for his family.

Now, he knows how to make an apple pie.

And he can make it all the time.
